

LOGGING IN TO OUR NEW DEALER PORTAL FOR THE FIRST TIME?

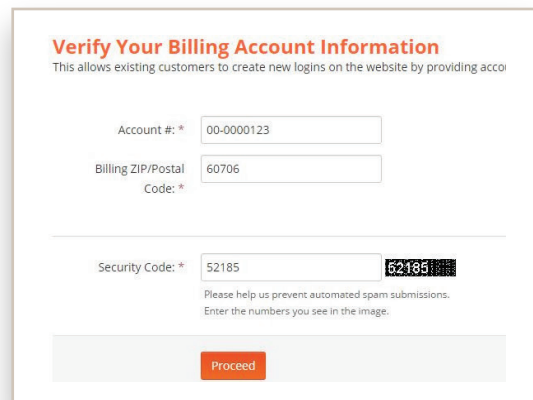

HERE ARE THE STEPS!

01. At the login page to the dealer portal, click 'Create a Username.'

02. Enter your Lexco Customer number (00-00XXXXX) and your billing zip.

(This will be the last time you need to use your full 9-digit cust # to login - thank goodness!)

03. Confirm your account info, add your Contact Info, and choose your new UN and PW.

Note: Your UN can be your email, but does not need to be.

Then click 'Create Login' and you're ready to ride!
